

REID-SOHN

Quality throughout...

If you're looking for a superb piano at an attractive price, a Reid-Sohn is the natural choice.

The finest quality spruce and air-dried maple are combined with tempered, nickel-plated pins, German hammer felt and laminated German pin blocks. These create fine pianos long appreciated by discerning and exacting pianists.

All Reid-Sohn pianos incorporate the latest developments in piano technology with the careful guidance of Klaus Fenner, co-developer of the imperial German scale.

Klaus Fenner

Klaus Fenner

Reid-Sohn are proud to have won the prestigious Music Industry Association award for two consecutive years with the magnificent RS112R traditional upright piano.

Reid-Sohn pianos are supplied to the Associated Board of the Royal Schools of Music and are in use throughout the country by music schools, colleges and by piano teachers.

A Reid-Sohn piano will provide many years of playability – the range of pianos are often imitated but never equalled.
